

WARRANTY

Master Ironworks (MIW) does hereby Warranty and Guarantee the Work described above furnished for:

Completed Work is in accordance with the Contract Documents and will fulfill or exceed the Warranty and Guarantee requirements. MIW agrees to repair or replace Work that proves to be defective in workmanship, material or operation within a period of **TEN (10) years** from the date of final acceptance by Owner, or from the Date of Certificate of Substantial Completion, whichever is earlier.

This includes the loss of film integrity, chalking, fading, non-uniformity, corrosion and the overall performance of color of the resinous coatings. 1) Color retention not to exceed 5 E Units color change as calculated in accordance with ASTM D2244 on exposed surfaces cleaned with clean distilled water and a soft microfiber cloth. 2) Degree of chalking not to exceed rating No. 8 for colors and No. 6 for whites when measured in accordance with ASTM D4214 Test Method, Test Method A on exposed unwashed surfaces. Ordinary wear and tear and unusual neglect or abuse excluded.

Upon Owner notification of defects within the Warranty period, MIW will make the necessary repairs and/or replacements at the convenience of the Owner. For Warranty issues, email service@master-ironworks.com.
